BERGO CONCEPT TOP TILE SPORT

TOP TILE SPORT is an ideal solution for permanent installations. Also ideal for temporary event. Smart accessories are available as disassembly tool and edge strips. Lines can be painted with appropriate colour.

TOP TILE SPORT is tested according to EN 14904 which is the European standard for indoor sports floors.

TOP TILE SPORT is a smart, economical and sustainable solution that quickly transforms any facility to a sports hall, allowing people to exercise on a floor with correct shock absorption, ball bounce, high wear resistance, etc.

The floor is also a simple solution for problem areas, such as damp subfloors, uneven surfaces or premises in need of renovation. The floor is laid quick and easy. A minimum of preparation is required.
